

Right to A Sustainable Energy Future, Right To Scenic Preservation and Community Self-Government Ordinance

A RIGHTS--BASED ORDINANCE TO PROTECT THE HEALTH, SAFETY, AND WELFARE OF RESIDENTS AND ECOSYSTEMS OF SUGAR HILL, NEW HAMPSHIRE BY ESTABLISHING A BILL OF RIGHTS; BY RECOGNIZING THE RIGHT TO A SUSTAINABLE ENERGY FUTURE, AND THE RIGHT TO SCENIC PRESERVATION, AND BY PROHIBITING THE SITING OF NEW ENERGY PROJECTS THAT VIOLATE THE PEOPLE'S RIGHT TO A SUSTAINABLE ENERGY FUTURE.

Whereas, this ordinance establishes a Bill of Rights which recognizes and secures the civil and political rights of Sugar Hill residents; and

Whereas, this ordinance recognizes and secures a right to a Sustainable Energy Future for Sugar Hill residents; and

Whereas, this ordinance then prohibits the land acquisition necessary for the construction of an unsustainable energy system, or land acquisition necessary to engage in construction or siting of any structure to be used in the operation of an unsustainable energy system, because such actions would violate the right of the Sugar Hill residents to a sustainable energy future; and

Whereas, this ordinance recognizes and secures a right to preserve the aesthetic values of the town, including clean air, pure water, forests, healthy soil and unspoiled vistas that are essential for the tourism that provides economic sustainability for local businesses, and

Whereas, this ordinance removes legal powers and authority from corporations within the Town that are in violation of this ordinance or are seeking to engage in activities that are prohibited by this ordinance, in recognition that those legal powers are illegitimate and unjust, in that they place the rights of a corporate minority over the rights and political authority of a majority of Sugar Hill residents, thereby nullifying those rights and authority; and

Whereas, this Ordinance shall be known and may be cited as "The Town of Sugar Hill's Right to a Sustainable Energy Future, Right to Scenic Preservation, and Community Self-Government Ordinance;" and

Whereas, this Ordinance is enacted pursuant to the inherent right of the residents of Sugar Hill to govern their own community, including, without limitation, the Declaration of Independence's declaration that governments are instituted to secure the rights of people, and the New Hampshire Constitution's recognition that "all government of right originates from the people, is founded in consent and instituted for the general good."

Section 1 – Findings and Intent

The residents of the Town of Sugar Hill recognize that the current energy policies of the state of New Hampshire and the United States have long been directed by a small handful of energy corporations and the directors of those corporations, and that centralized control over energy policies forces reliance upon unsustainable industrial-scale energy production, and denies the rights of residents to a sustainable energy future.

The residents of the Town of Sugar Hill recognize that environmental and economic sustainability cannot be achieved if the rights of community majorities are routinely overridden by corporate minorities claiming certain legal powers that bar meaningful regulatory limitations and prohibitions concerning the generation, distribution, and transmission

of unsustainable energy. The residents of the Town also recognize that sustainability cannot be achieved within a system of preemption which enables those corporations to use state governments to override local self-government, and which restricts municipalities to that lawmaking specifically authorized by state government.

The residents of the Town of Sugar Hill find that the protection of their health, safety, and welfare is mandated by the doctrine of the consent of the governed and their inherent right to local self-government. Thus, the Town of Sugar Hill hereby adopts this rights-based Ordinance, which establishes a Bill of Rights for the residents and communities of the Town. This Bill of Rights includes the Right to a Sustainable Energy Future, prohibits corporations from acquiring land necessary for the construction of unsustainable energy systems, or engaging in the construction or siting of any structure to be used in the operation of unsustainable energy systems, removes certain legal powers from energy corporations operating within the Town of Sugar Hill that would violate the Right to a Sustainable Energy Future, and nullifies state laws, permits and other authorizations which interfere with the rights secured by this Ordinance.

The phrase shall also include any energy system which violates the rights of human and natural communities under this ordinance or under other laws. The term shall not include combustion of wood and wood products or the use of propane, kerosene, heating oil, coal, or natural gas when combustion of those fossil fuels is used solely to generate on-site heat or power and the energy produced is not sold, transmitted, or distributed.

Section 3- Statements of Law – Rights of Residents and the Natural Environment

Use of the "Town of Sugar Hill" municipal corporation by the sovereign people of the Town to make law shall not be construed to limit or surrender the sovereign authority or immunities of the people to a municipal corporation that is subordinate to them in all respects at all times. The people at all times enjoy and retain an inalienable and indefeasible right to self-governance in the community where they reside.

(g) Rights as Self-Executing. All rights delineated and secured by this ordinance shall be self-executing and these rights shall be enforceable against corporations and governmental entities.

(b) Corporations in violation of the prohibitions of this ordinance or seeking to engage in those prohibited activities, shall not have the rights of "persons" afforded by the United States and New Hampshire Constitutions, nor shall those corporations be afforded the protections of the commerce or contracts clauses within the United States Constitution or corresponding sections of the New Hampshire Constitution. Those corporations shall also not be afforded the protections of the 1st or 5th Amendments to the United States Constitution, or the corresponding sections of the New Hampshire Constitution.

(c) Corporations engaged or seeking to engage in actions prohibited by this ordinance shall not possess the authority or power to enforce State or federal preemptive law, including eminent domain powers, against the people of the Town of Sugar Hill, or to challenge or overturn municipal ordinances adopted by the Board of Selectmen or the residents of the Town of Sugar Hill, or interfere with the rights asserted by this ordinance, or interfere with the authority of the Town to protect the health, safety, and welfare of its residents.

(d) No permit, license, privilege, eminent domain authority, or charter issued by any State or federal agency,

Commission or Board to any person or any corporation operating under a State charter, or any director, officer, owner, or manager of a corporation operating under a State charter, which would violate the prohibitions of this Ordinance or deprive any Town resident(s), natural community, or ecosystem of any rights, privileges, or immunities secured by this Ordinance, the New Hampshire Constitution, the United States Constitution, or other laws, shall be deemed valid within the Town of Sugar Hill.

Section 5—Enforcement

(a) Any person, corporation, or other entity that violates any prohibition of this Ordinance shall be guilty of a summary offense and, upon conviction thereof, shall be sentenced to pay the maximum fine allowable under State law for that violation. A separate offense shall arise for each day or portion thereof in which a violation occurs and for each section of this Ordinance found to be violated.

(b) The Town of Sugar Hill may enforce this Ordinance through an action in equity brought in the Grafton County District Court or other court of competent jurisdiction. In such an action, the Town of Sugar Hill shall be entitled to recover all costs of litigation, including, without limitation, expert and attorney's fees.

Section 6 – Sustainable Energy Policy

The Town shall implement a Sustainable Energy Policy following the adoption of this ordinance that provides a plan for the community's reduction in use of power from unsustainable energy systems, within a time frame agreed to by the residents, to be decided by popular vote.

Section 7—Effective Date and Existing Permit holders

This Ordinance shall be effective five (5) days after the date of its enactment, at which point the Ordinance shall apply to any and all commercial production, distribution, transportation or transmission of energy that would violate this ordinance regardless of the date of any applicable local, state, or federal permits.

Section 8—People's Right to Self-Government

The foundation for the making and adoption of this law is the people's fundamental and inalienable right to govern themselves, and thereby secure their rights to life, liberty, and pursuit of happiness. Any attempts to use other units and levels of government to preempt, amend, alter, or overturn this Ordinance, or parts of this Ordinance, shall require the Town of Sugar Hill to hold public meetings that explore the adoption of other measures that expand local control and the ability of residents to protect their fundamental and inalienable right to self-government. Such consideration may include actions to separate the municipality from the other levels of government used to preempt, amend, alter, or overturn the provisions of this Ordinance or other levels of

government used to intimidate the people of the Town of Sugar Hill or their elected officials.

Section 9—Severability

The provisions of this Ordinance are severable. If any court of competent jurisdiction decides that any section, clause, sentence, part, or provision of this Ordinance is illegal, invalid, or unconstitutional, such decision shall not affect, impair, or invalidate any of the remaining sections, clauses, sentences, parts, or provisions of the Ordinance. The Town of Sugar Hill hereby declares that in the event of such a decision, and the determination that the court's ruling is legitimate, it would have enacted this Ordinance even without the section, clause, sentence, part, or provision that the court decides is illegal, invalid, or unconstitutional.

Section 10 - Repealer

All inconsistent provisions of prior Ordinances adopted by the Town of Sugar Hill are hereby repealed, but only to the extent necessary to remedy the inconsistency.
